# GENERAL CAMP INFORMATION

## FOOD

Please do not send with your child food, chewing gum, or candy. We provide breakfast lunch, dinner and dessert, as well as snacks during your child's stay at Camp Leopold. Food in suitcases and in the cabins will attract unwanted visitors. Food from home can cause hard feelings among the other campers and will make living conditions unhealthy for the Camp Leopold Staff and Chaperones!

## PHONES

Campers are not allowed to make phone calls. CELL PHONES NEED TO BE LEFT AT HOME. We ask parents to only call the camp in an emergency situation. If your child is sick, we will notify you of your child's health status and you will be able to talk with them. Camp Leopold is not responsible for lost, stolen, or damaged equipment.

## CAMP STORE

We have a small gift shop located in the Chace Lodge that we open at the end of each program. All items range from \$1-\$15.

## BIRTHDAYS AT CAMP LEOPOLD

With prior notification, any camper who has a birthday while attending camp will be honored with a special birthday treat, birthday wishes, and songs from the entire camp.

## MEDICATIONS

All medications must have the original medications label date, your child's name, medication name, milligrams, dosage and the prescribing doctor's name on each bottle. Please include written administrating directions. Please place medications and instructions in a zip lock bag with the child's name printed in bold letters on the outside. Medications will be administered at each meal time, or with special cases, the time that each dosage is required. **Educators are responsible for all medication.**

### Permission/Consent

I understand my child's school/group holds primary responsibility for medical care and administering medications. If school/group personnel are not immediately available, or grant permission, I authorize SCWA/Camp Leopold staff to render first aid and administer medication for emergencies (for example: antihistamines for allergic reactions, and, if provided, epinephrine for anaphylaxis).

Permission & Medical History Form: If an emergency warrants referral to a licensed physician or medical facility for further evaluation and treatment, an attempt will be made to contact the parent/guardian (or emergency contact if adult). If that party cannot be reached, I hereby give permission to the school, SCWA/Camp Leopold, and the selected physician to secure and administer treatment, including hospitalization. Medical providers will be instructed to send all bills directly to the parent/guardian/responsible party. This form may be copied as needed to provide medical care.

I give permission for my child (and/or myself if adult) to participate in all Camp Leopold activities (see [www.wildlifeedcenter.org/camp-leopold](http://www.wildlifeedcenter.org/camp-leopold) for full description of all activities), except those noted as restrictions above. I release South Carolina Waterfowl Association/Camp Leopold and all associated board members and staff from any liability which may arise out of the above named participant's attendance at Camp Leopold. I consent to photographs and interviews of my child (and myself) that may be published to illustrate and promote South Carolina Waterfowl Association/Camp Leopold.
